WINEMAKING

Slow fermentation in stainless steel vats at a temperature of 16°C to encourage and preserve its bright, fresh lifted aromas.

TASTING NOTES

Strawberry pink in color, Bohemia stands out for its fruity character. Displaying raspberry and red fruit aromas. The palate starts round and mouth filling with a bit of sweetness, turning into a crisp and persistent finish.

FOOD PAIRING

This beautifully complex Rosé is a wonderful aperitif on its own or will pair sensationally with salads, rice, seafood, and Asian food. Our chef's suggestion: mussels with marinara sauce.
